Election Night Map - Presidential Race Map wireframe

07.10.2008

Presidential Race Tab

1 - **Header.** Page title and main navigation. Persistent in all maps.

2 - **Map.** Shows states in gray if no projection has been made. After a projection, the state changes color to red or blue.

Hover on a state shows "State Bubble".

3 - **Progress Bar.** Shows electoral votes for states with projections. Each bar "slice" corresponds to a state. As projections are made, "slices" are added to bar. "Slice" widths are proportional to number of electoral votes.

Hover on "slice" shows "State Bubble".

4 - **Map tag.** Map data is updated every minute. If a state data has changed, a map tag appears with state name and updated vote percentages.

5

State Name	Poll Closing time
Number of electoral votes Precincts Reporting %	
Obama votes% total votes	McCain votes% total votes

State Name	Poll Closing time
Number of electoral votes Precincts Reporting %	
Obama votes% total votes	McCain votes% total votes
6 Projected Winner: Candidate Name	

5 - **State Bubble** (before projection)
 Data on each state bubble is updated every minute:
 Number of Precincts Reporting (percentage).
 Number of votes (percentage)
 Number of total votes

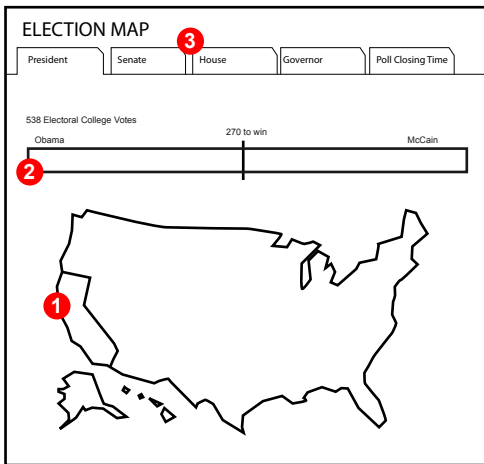

6 - **State Bubble** (after projection)
 Data on each state bubble is updated every minute:
 Number of Precincts Reporting (percentage).
 Number of votes (percentage)
 Number of total votes
 After a projection, the state bubble shows the projected winner on top of a colored band (blue or red).

Election Night Map - Presidential Race Map - on hover, on click

07.10.2008

Election Night Map - Presidential Race Map time states

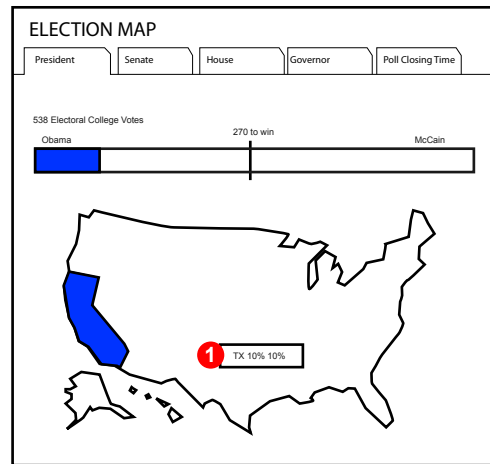

07.10.2008

No Callouts, no updates (no new data)

Inbetween Callouts, map updates every minute

1 - If data has changed in a state after the update, a "tag" animation appears, showing the state abbreviation, and vote percentages

Callout states

- 1 - **Callout Box.** During projections, a Callout Box slides on top of map
If Obama, Callout Box slides from left to right
- 2 - If McCain, Callout Box slides from right to left
