1. Global Elements

1. Header- Persistent Links

Image + Text links. Consistent across the site. These links appear on every page

- **This Week** Link to home page (current week's show)
- **Archive:** Link to Archive (previous shows) Page
- **Local Listings:** Link NPR site page that contains the local listings for the show
- **About OTM:** Link to "On The Media" info Page.
- **Contact Us:** Link to Contact Us form Page.
- **Audio Help:** Link to Audio Help Page

2. Branding

On the media logo.

On mouse over, the logo highlights, and when clicked links to "On The Media" home page.

3. Title

Title of the page "This Week" for current show. When the show is archived, the title will change to the date of the show, for ex: "02.05.2007"

4. Date

Date of current show week. The date is shown only with the current show. When archived, the date becomes the title.

5. Producer credits

Producer credit text will appear in all pages: "On The Media is produced by:"

6. WNYC branding

WNYC logo. On mouse over, the logo image highlights, and when clicked links to "WNYC: www.wnyc.org" site.

7. Search Field

Text Field for basic search. Will display results on a different page.
